Pritesh Haresh Mahajan

8454894685 — priteshmahajan85@gmail.com

Professional Summary:
Skilled in HTML, C, Python, and problem-solving, with a strong foundation in programming. Currently learning frontend (React, HTML, CSS, JavaScript) and backend (Node.js, Express, PostgreSQL) development to become a Full Stack and Web Developer.

Skills

- **Languages:** C, Python, HTML, React
- **Tools:** VS Code, Git, GitHub, Postman
- **Database:** PostgreSQL
- **Currently Learning:** Node.js, JavaScript

Education

B.Tech in ECS (Electronics and Computer Science)
SIES Graduate School of Technology, Mumbai University — 2028
SGPA: 8.69 (Sem 1), 9.14 (Sem 2), 8.95 (Sem 3)

HSC (PCM with Computer Science)
K.M. Agrawal College, State Board — 2024 — 76.67%

SSC
Smt. K.C. Gandhi English School, State Board — 2022 — 83.80%

Projects

- Student Management System in Java: GUI-based system to manage student records.
- Surveillance Robot (ESP32-CAM): Real-time video streaming for security monitoring.
- Indian Sign Language Recognition using CNN: Workshop project.
- Face Detector (Python): Personal project for face recognition.
- Email Verification Checker (Python): Validates email addresses.

Certifications

- Python (HackerRank)
- AI for Students: Generative AI Model (NXT Wave)
- Indian Sign Recognition using CNN (IEEE Computer Society)
- Gemini in Google (Google Cloud)
- Introduction to Gen AI Studio (Google Cloud)
- Mastering AI in Web App Development (Simplilearn)
- GenAI Buildathon (OpenAI x NxtWave)
- MumbaiHacks 2025 Hackathon (MumbaiHacks)
- AWS Cloud Foundation (Amazon)
- AWS Cloud Architecting (Amazon)
- Enigma 4.0 Web Dev Hackathon (Computer Society of India)

Achievements

- Secured 80%+ in SSC with strong academic performance.
- Active participation in hackathons, coding competitions, and workshops.

Languages

- Marathi, Hindi, English

Interests & Hobbies

Interests: Web Design, AI, Full Stack Development
Hobbies: Nature photography
